

Entry Commencing 2024

Year 10 and 11 Entry to John Monash Science School

Special Consideration Form

For students who sat the examination in May or June 2023.

Instructions to Parents

Note: In this document 'parent' includes 'guardian' and 'carer'.

If you wish to apply for Special Consideration, please complete this form and return it to the John Monash Science School by 30th May 2023 for Year 11, and 20th June 2023 for Year 10, enclosing appropriate evidence.

Criteria for Special Consideration

1. All students must have undertaken the entrance examination on 27th May 2023 for Year 11, or 17th June 2023 for Year 10, to be eligible for special consideration.
2. Where a student's performance on the entrance examination may have been affected by illness, injury or personal trauma, the parent must lodge a submission if they wish to apply for special consideration.
3. The submission must be received by the John Monash Science School no later than 30th May 2023 for Year 11, and 20th June 2023 for Year 10.
4. The submission must be accompanied by written and signed statements by health professionals and the current school principal. The statements must set out in detail the circumstances which led to a possible lower performance.
5. The persons providing the statements must provide contact details and be available for interview after the submissions have been received.
6. Decisions made as a result of consideration of the submission will be final.
7. Applicants cannot submit a case on the basis of:
 - a) Absences from school.
 - b) Prolonged illness or disability, therefore any special adaption of the test should be applied for at the time of registering to sit the exam as per the statement on the Edutest Registration Form.
 - c) Unfamiliarity with the English language.
 - d) Matters that could have been avoided by the student.
